

PRESS OVERVIEW

SELSOVIET

A narrative immersive sim where you decide who gets to eat in a Soviet village store while trying to save your dying children.

Selsoviet is a first-person immersive sim set in a remote Soviet settlement in 1976. You manage a small village shop under extreme scarcity, deciding how limited food is distributed among residents.

Every decision has consequences — including those affecting your own family. Your children are seriously ill, and survival becomes a question of moral compromise.

WORLD

SETTING

The game takes place in Herota, a remote Soviet settlement in the Far East during summer 1976 — a declining village shaped by scarcity, isolation, and systemic neglect.

WHY THIS SETTING

- ◆ Rarely explored Soviet Far East perspective
- ◆ Contrast between communism ideology and reality
- ◆ Strong focus on everyday life under scarcity
- ◆ Grounded interpretation based on historical research

STORY

You play as Liza, a mother of two and shop manager. Her children are seriously ill, and treatment is unavailable in Herota. The nearest hospital is far beyond reach.

While managing the store, she must decide how far she is willing to go to save her family.

THEMES

- ◆ Scarcity and survival
- ◆ Moral compromise
- ◆ Family responsibility
- ◆ Social systems
- ◆ Alcoholism
- ◆ Hope and resignation
- ◆ Absurdity of everyday life
